

**Job Title: Mechanic & Warehouse Coordinator****About us:**

DIT AgTech is a company dedicated to revolutionising the farming industry through innovative technology solutions. We are committed to tackling the world's most pressing agricultural and climate challenges by creating effective, efficient and sustainable farming practices. Our mission is to empower farmers with cutting-edge tools, knowledge, and resources to help them achieve optimal yields while minimising their environmental impact.

We are seeking a highly skilled and organized individual to join our team as a Mechanic and Warehouse Coordinator. This role involves a unique blend of mechanical expertise and warehouse coordination. The successful candidate will be responsible for the line servicing of our company's diverse fleet of vehicles, and managing product stores in warehouses located in Katherine and Camooweal.

**Key Responsibilities:**

- Perform line servicing and routine maintenance on the company's growing fleet of vehicles, currently including 13 utes, 3 Prados, 7 trailers, and 3 trucks.
- Conduct diagnostic assessments and repairs as needed to ensure the fleet's optimal performance.
- Maintain accurate records of all maintenance activities.
- Manage product stores in warehouses located in Katherine and Camooweal.
- Ensure proper inventory control, including receiving, storing, and issuing products.
- Implement and maintain organized warehouse systems for easy retrieval of products.
- Undertake occasional travel to oversee fleet operations and warehouse management at satellite locations.
- Undertake the occasional supplement delivery and mixing from the Katherine Warehouse or other jobs as directed by your lead.

**Skills and Experience:**

- Relevant certification or diploma in automotive mechanics or a related field.
- Proven mechanical skills with experience in vehicle maintenance.
- Strong organizational skills to manage warehouse coordination effectively.
- Proficient in computer skills, including basic software applications.
- Ability to troubleshoot and problem-solve independently.
- Excellent communication skills and the ability to work collaboratively with a diverse team.

**Why Join DIT AgTech:**

At DIT AgTech, we offer a dynamic and supportive work environment, competitive salary and sponsorship opportunities. You'll have the opportunity to make a meaningful impact in the world by contributing to the advancement of sustainable agriculture and climate solutions.
